TO WHOM SO EVER IT MAY CONCERN

The Maharashtra Fire Service Academy under the Directorate of Maharashtra Fire Service has prepared "Fire Drill Manual", especially for the internal consumption for the trainees undergoing Fireman & Sub Officer & Fire Prevention Officer Course.

2. The main intention of the said drill manual is to impart various training such as Squad Drill, Fire Drill and other related activities.

3. In the said manual, under Part II, Chapter 23 "Ranks and Uniforms" the words "Raymond" or "Bombay Dyeing" or "Power Bata" or "Ambassador Bata" make etc words is used.

4. It has come to notice of the Directorate that some ULB's / Planning Authorities quote above words while floating the tenders for the uniforms taking example from this manual.

5. The very basic purpose for quoting the above makes or standards is to ensure parity / uniformity is maintained concerning the size, colour, pattern, design etc., amongst the trainees during the training period as these trainees comes from all across Maharashtra from different city and district. The expenses are also borne by them. If there arise any variations in any form, then trainees will be at financial loss.

6. Considering above facts, by this communication, it is hereby informed to all the concerned (Buyer / Seller), that all the procedure required for carrying out tender process shall be adopted by providing details of uniforms without quoting names or makes of company as required under rules. By no way, cross references from the drill manual regarding any make or any other such words or standards shall be mentioned in the tender documents.

The copy of the same is also made available on our website www.mahafireservice.gov.in under the link "circular and office order".

By order

(S S Warick)

Director

Maharashtra Fire Services.
